

*Career and Technical Education
Teacher Preparation Program*
Transcript Review Request Form

INSTRUCTIONS

The transcript review is the process by which we determine if any of your previous coursework is equivalent to and can be substituted for required Career and Technical Education (CTE) teacher preparation courses at Bates. If you believe you have taken courses equivalent to one or more of the required CTE courses, you may request a transcript review by following the process outlined below. The cost of the review is \$190.

Submission Process:

- Complete Sections A, B, and, C of the *Transcript Review Request Form*. All sections are required.
- Provide **sealed official transcripts**, and any additional course documentation.*
- Pay the fee of **\$190** by check, Visa, or MasterCard.
 - Submit all the above to: Bates Technical College
Attn: Teacher Preparation—CTE
2201 South 78th Street
Tacoma, WA 98409

*Note: If using official Electronic Transcripts, please send link to: Caryn Fosnaugh cfosnaugh@bates.ctc.edu.

Review Process:

1. Your completed *Transcript Review Request Form* and supporting documentation will be reviewed for course equivalency. Please allow two (2) weeks for completion of the review.
2. During the review process, if the course titles do not provide sufficient information to determine equivalency, you may be asked to provide additional documentation to support the review process, such as course catalog descriptions or course syllabi. If this occurs, additional time may be necessary to complete the review.
3. Upon completion of the review, we will notify you of the outcomes in a letter attachment sent to your email.
4. A record of waived courses will be placed in your student file. Waived courses will not appear on your Bates Technical College transcript.

Resubmission Process:

1. To appeal courses not waived—if you have additional documentation to support your request—email your justification to Caryn cfosnaugh@bates.ctc.edu for review. There is no additional cost for a resubmission.
2. Upon completion of the resubmission review, we will again notify you of the outcomes in writing.
