

HIGH SCHOOL ORIENTATIONS

Are you ready to get a jump start on your career? You can earn your high school diploma and an Associate Degree in a world-class career training program at the same time, tuition free.

Interested students must attend an orientation to be considered for admittance into Bates' programs as a high school student.

Our advisors lead the orientation sessions. They'll present various choices for high school students, lead prospective students through a work-session on career planning tied to our offerings, and provide an overview of the required forms and student information needed in order to successfully enroll at Bates' Technical High School.
