Want to learn English and math while working toward an associate degree in Practical Nurse?

We can help! If struggling with English and math is stopping you from pursuing a degree in Practical Nurse, then this is the perfect program for you.

Bates Technical College offers English and math classes that are integrated with career training programs like Practical Nurse. The program, called Integrated Basic Education and Skills Training (I-BEST), helps you boost literacy, English and math skills while you work toward your credential.

Interested in learning more about the Practical Nurse program?

Please come to an Information Session:
First and third Thursdays at 2 p.m.
Bates Technical College, Downtown Campus
