MDC’S
EDUCATION TO EMPLOYMENT PROGRAM
For parents seeking stable housing and in need of college support.

What is Education to Employment?
The purpose of this program is to assist students who have dependent children and are experiencing homelessness with graduating from their educational programs and gaining employment.

To qualify for the program one must:
- Be enrolled in one of the 4 Community & Technical colleges served; Bates Technical College, Clover Park Technical College, Pierce College and Tacoma Community College
- Have a dependent
- Be living in unstable housing or currently experiencing homelessness

How we can help
- College Enrollment
- Applying for Financial Aid
- Applying for Scholarships
- Identifying Housing Assistance
- One-on-one meetings and informational sessions regarding education and employment
- Employment Connections
  And more...

Financial support is also available for:
Transportation Assistance, Childcare Support, Housing Access and so much more!
