High School Orientations

You can earn your high school diploma and a college degree or certificate of training at the same time at Bates Technical College!

You must attend an orientation to be considered for admittance into Bates’ programs as a high school student.

Bates’ professional advising staff lead the orientation sessions. Advisors will present various choices for high school students, lead prospective students through a work-session on career planning tied to Bates’ offerings, and provide an overview of the required forms and student information needed in order to successfully enroll at Bates’ Technical High School.

Technical High School
Career Training Pathway
(Day, all campuses)
• You must be at least 16 years old.
• Have earned at least 10 HS credits.
• Meet specific career program entry requirements.

Technical High School
Academic-only Pathway
(Day, Downtown Campus)
• You must be at least 18 years old.
• Have earned at least 10 HS credits.
• A probationary academic-only quarter may be granted to students with exceptional circumstances.

Afternoon Technical High
School Pathway
(South Campus)
• You must be at least 16 years old.
• Have earned at least 5 HS credits.
• Meet specific career program entry requirements.
